So,

Yes, we are working on that right now. I need a preliminary title report that is not more than 6 months old, and the consolidated conditions of approval you were working on so Dave has the most current version.

Jill, as we discussed last week, Dave Knell at Willdan is completing the map review for us. He estimates he will need around $5,000 to complete the work. Please have the check delivered to us at Public Works, so we can set up the Trust Deposit.

Thanks!

Subject: TRACT 50666

Hi Ron,
We have less than a month to finalize Tract 50666. Can we expedite the review for the Tract Map with the consultant and are we able to get back corrections by next week?

Sincerely,
